Section 3: Findings. It is hereby ascertained, determined and declared that it is in the best interest of the health and welfare of the residents of the Issuer and other users of the Utility System to use the proceeds of the Bonds to pay the Project Costs. The Issuer owns, operates and maintains the System and derives certain revenue from rates, fees, rentals and other charges made and collected for the services of such System, which such revenues are not now pledged or encumbered in any manner. It serves a paramount public purpose and is in the best interests of the Issuer, the residents thereof and the other

current users of the water and sewer system that the Issuer authorizes the issuance of Bonds for the constructing and acquiring of certain additions, extensions and improvements to the Utility System as more particularly described herein.

The Issuer deems it necessary and in its best interest to provide for the construction and improvement of the Utility System.

The costs associated with issuance of Bonds shall be deemed to include, but not limited to, legal fees and expenses, engineering expenses, fiscal expenses, underwriting fees and expenses, rating agency fees, expenses for estimates of costs and of revenues, accounting expenses, municipal bond insurance premiums, surety policy premiums, if applicable, costs of printing, fees and expenses for the escrow agent, fees and expenses for the paying agent and registrar, fees and expenses for verification, accrued and capitalized interest, provisions for reserves, and such other fees and expenses as may be necessary or incidental for the financing herein authorized.

The principal of and interest and redemption premium on the Bonds and all reserve and other payments shall be payable solely from the Pledged Revenues. The Issuer shall never be required to levy ad valorem taxes on any real or personal property therein to pay the principal of and interest on the Bonds herein authorized or to make any other payments provided for herein. The Bonds shall not constitute a lien upon any properties owned by or located within the boundaries of the Issuer or upon any property other than the Pledged Revenues.

The Pledged Revenues should be sufficient to pay all principal of and interest and redemption premium on the Bonds to be issued hereunder, as the same become due, and to make all required deposits or payments required by this Ordinance.

It is the intention of the Issuer to adopt this Ordinance to establish the general terms of the Bonds with the specific terms of each Series of Bonds to be determined pursuant to the provision of various Supplemental Ordinances to be hereafter enacted by the Issuer. While the purpose of this Ordinance is to establish general terms of the Bonds, it is recognized that new, innovative and beneficial methods of financing may exist or may be developed in future years which are not specifically authorized by this Ordinance. Because of such fact, it is the intention of the Issuer that the amendment provisions contained herein be broadly interpreted in order to provide the broadest possible financing alternatives for the Issuer for so long as the security of the Holders of any Bonds then Outstanding shall not be impaired.

Section 4: Authorization of the Project. There is hereby authorized the Project.

Section 5: This ordinance to constitute contract. In consideration of the acceptance of the Bonds authorized to be issued hereunder by those who shall hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer and such Holders. The covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security

of the legal Holders of any and all of the Bonds, all of which shall be of equal rank and without preference, priority or distinction of any of the Bonds over any other thereof, except as expressly provided therein and herein.

Section 6: Authorization of bonds. Subject and pursuant to the provisions hereof, the obligations of the Issuer to be known as "Utility System Revenue Bonds", which may be issued from time to time, are hereby authorized to be issued. The aggregate principal amount of the Bonds which may be executed and delivered under this Ordinance is not limited except as is or may hereafter be provided in this Ordinance or as limited by the Act or by law. The Bonds may, if and when authorized by the Issuer pursuant to this Ordinance, be issued in one or more Series, with such further appropriate particular designations added to or incorporated in such title for the Bonds of any particular Series as the Issuer may determine and as may be necessary to distinguish such Bonds from the Bonds of any other Series. Each Bond shall bear upon its face the designation so determined for the Series to which it belongs. The Bonds shall be issued for such purpose or purposes; shall bear interest at such rate or rates not exceeding the maximum rate permitted by law; and shall be payable in lawful money of the United States of America on such dates; all as determined herein or by Supplemental Ordinance of the Issuer.

Section 7: Description of the bonds. The Bonds are hereby authorized to be issued in fully registered form without coupons; may be Capital Appreciation Bonds, Serial Bonds or Term Bonds; shall be dated; shall be numbered consecutively from one upward in order of maturity preceded by the letter "R" if Serial Bonds or Term Bonds, and preceded by the letters "CABR" if Capital Appreciation Bonds; shall be in the denomination of \$5,000 each, or integral multiples thereof for the Serial Bonds and Term Bonds, and in \$5,000 Accreted Values at maturity for the Capital Appreciation Bonds or in \$5,000 multiples thereof, or such other denominations as shall be approved by the Issuer in a Supplemental Ordinance; shall bear interest at such rate or rates not exceeding the maximum rate allowed by State law, the actual rate to be approved by the governing body of the Issuer prior to or upon the sale of the Bonds; such interest to be payable semiannually at such times as are fixed by Supplemental Ordinance of the Issuer if Serial Bonds or Term Bonds or payable at maturity if Capital Appreciation Bonds, and shall mature annually on such date in such years and such amounts as will be fixed by Supplemental Ordinance of the Issuer prior to or upon the sale of the Bonds; and may be issued with variable, adjustable, convertible or other rates with original issue discounts and as zero coupon bonds; all as the Issuer shall provide herein or hereafter by Supplemental Ordinance.

Each Serial or Term Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated, unless authenticated on an interest payment date, in which case it shall bear interest from such interest payment date, or, unless authenticated prior to the first interest payment date, in which case it shall bear interest from its date; provided, however, that if at the time of authentication, payment of any interest which is due and payable has not been made, such Serial or Term Bond shall bear interest from the date to which interest shall have been paid.

Each Capital Appreciation Bond shall bear interest only at maturity or upon redemption prior to maturity in the amount determined by reference to the Accreted Value.

The principal of and the interest and redemption premium, if any, on the Bonds shall be payable in any coin or currency of the United States of America which on the respective dates of payment thereof is legal tender for the payment of public and private debts. The interest on the Serial or Term Bonds shall be payable by the Paying Agent on each interest payment date, or the first business day following an interest payment date if such interest payment date is not a business day, to the person appearing on the registration books of the Issuer hereinafter provided for as the registered Holder thereof, by check or draft mailed to such registered Holder at his address as it appears on such registration books or by wire transfer to Holders of \$1,000,000 or more in principal amount of the Bonds. Payment of the principal of all Serial or Term Bonds (reduced by any Amortization Installments previously paid by the Issuer on any Term Bonds) and the Accreted Value with respect to the Capital Appreciation Bonds shall be made upon the presentation and surrender of such Bonds as the same shall become due and payable.

As long as any Bonds are outstanding in book-entry form, the provisions of this Ordinance inconsistent with such system of book-entry registration shall not be applicable to such Bonds, and the Issuer covenants to cause adequate records to be kept with respect to the ownership of any Series of Bonds issued in book-entry form or the beneficial ownership of bonds issued in the name of a nominee.

Section 8: Execution of bonds. The Bonds shall be signed by, or bear the facsimile signature of the Mayor and shall be attested by, or bear the facsimile signature of, the City Clerk, and a facsimile of the official seal of the Issuer shall be imprinted on the Bonds. In case any officer whose signature or a facsimile of whose signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if such person remained in office until such delivery. Any Bond may bear the facsimile signature of or may be signed by such persons who, at the actual time of the execution of such Bond, shall be the proper officers to sign such Bonds although, at the date of such Bond, such persons may not have been such officers.

Section 9: Authentication of bonds. Only such of the Bonds as shall have endorsed thereon a certificate of authentication substantially in the form hereinbelow set forth, duly executed by the Registrar, as authenticating agent, shall be entitled to any benefit or security under this Ordinance. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed by the Registrar, and such certificate of the Registrar upon any such Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Ordinance. The Registrar's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the certificate of authentication of all of the Bonds that may be issued hereunder at any one time.

Section 10: Exchange of bonds. Any Bonds, upon surrender thereof at the designated corporate trust office of the Registrar, together with an assignment duly executed by the Bondholder or his attorney or legal representative in such form as shall be satisfactory to the Registrar, may, at the option of the Bondholder, be exchanged for an aggregate principal amount of Bonds of the same Series equal to the principal amount of the Bond or Bonds so surrendered. The Registrar shall make provision for the exchange of Bonds at the designated corporate trust office of the Registrar.

Section 11: Negotiability, Registration and Transfer of Bonds. The Registrar shall keep books for the registration of and for the registration of transfers of Bonds as provided in this Ordinance. The transfer of any Bonds may be registered only upon such books and only upon surrender thereof to the Registrar together with an assignment duly executed by the Bondholder or his attorney or legal representative in such form as shall be satisfactory to the Registrar. Upon any such registration of transfer, the Issuer shall execute and the Registrar shall authenticate and deliver in exchange for such Bond, a new Bond or Bonds registered in the name of the transferee, and in an aggregate principal amount equal to the principal amount of such Bond or Bonds so surrendered and of the same Series.

In all cases in which Bonds shall be exchanged, the Issuer shall execute and the Registrar shall authenticate and deliver, at the earliest practicable time, a new Bond or Bonds of the same type (e.g., Serial Bonds will be exchanged for Serial Bonds and Capital Appreciation Bonds will be exchanged for Capital Appreciation Bonds) and of the same Series in accordance with the provisions of this Ordinance. All Bonds surrendered in any such exchange or registration of transfer shall forthwith be canceled by the Registrar. The Issuer or the Registrar may make a charge for every such exchange or registration of transfer of Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, but no other charge shall be made to any Bondholder for the privilege of exchanging or registering the transfer of Bonds under the provisions of this Ordinance. Neither the Issuer nor the Registrar shall be required to make any such exchange, registration or transfer of Bonds after the Record Date.

Section 12: Ownership of bonds. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or redemption price of any such Bond, and the interest on any such Bonds shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond including the premium, if any, and interest thereon to the extent of the sum or sums so paid.

Section 13: Bonds mutilated, destroyed, stolen or lost. In case any Bond shall become mutilated, or be destroyed, stolen or lost, the Issuer may, in its discretion, cause to be executed, and the Registrar shall authenticate and deliver, a new Bond of like date and tenor as the Bond so mutilated, destroyed, stolen or lost (e.g., Serial Bonds shall be issued in exchange for Serial Bonds and Capital Appreciation Bonds shall be issued in exchange for Capital Appreciation Bonds) in exchange and substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder furnishing the Issuer and the Registrar proof of his ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer and the Registrar may prescribe and paying such expenses as the Issuer and the Registrar may incur. All Bonds so surrendered shall be canceled by the Issuer. If any of the Bonds shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this Section 13 shall constitute original, additional contractual obligations on the part of the Issuer whether or not the lost, stolen or destroyed Bonds be at any time found by anyone, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien on and source and security for payment from the funds, as hereinafter pledged, to the same extent as all other Bonds issued hereunder.

Section 14: Provisions for redemption. The Bonds shall be subject to redemption prior to their maturity, at the option of the Issuer, at such times and in such manner as shall be fixed by Supplemental Ordinance of the Issuer prior to or at the time of sale of such Series of Bonds. Notice of such redemption shall, at least thirty (30) days prior to the redemption date, be filed with the Registrar, and mailed by the Registrar on behalf of the Issuer, first class mail, postage prepaid, to all Holders of Bonds to be redeemed at their addresses as they appear on the registration books hereinbefore provided for on the Record Date, but failure to mail such notice to one or more Holders of Bonds, or any defect therein, shall not affect the validity of the proceedings for such redemption with respect to Holders of Bonds to which notice was duly mailed hereunder and no defect occurred. Such notice shall also be sent to the registered securities depositories and to the Electronic Municipal Market Access System ("EMMA"). Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Bonds of one maturity are to be called, the distinctive numbers

of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed.

Any notice of optional redemption given pursuant to this Section 14 may state that it is conditional upon receipt by the Paying Agent of moneys sufficient to pay the redemption price, plus interest accrued to the redemption date, or upon the satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before payment of such redemption price and accrued interest if any such condition so specified is not satisfied or if any such other event occurs. Notice of such rescission shall be given by the Paying Agent to affected Holders of Bonds as promptly as practicable upon the failure of such condition or the occurrence of such other event.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the redemption price. Each check or other transfer of funds issued by the Registrar for the purpose of the payment of the redemption price of Bonds being redeemed shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Holder a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such partially redeemed Bond. All Bonds which have been redeemed shall be canceled and destroyed by the Registrar and shall not be reissued.

Section 15: Form of bonds. The text of the Bonds, together with the certificate of authentication to be endorsed therein, shall be in substantially the following form, with such omissions, insertions and variations as may be necessary, desirable, authorized or permitted by this Ordinance or by any Supplemental Ordinance enacted prior to the issuance of a Series of Bonds, or as may be necessary if the Bonds or a portion thereof are issued as Capital Appreciation Bonds, Capital Appreciation Income Bonds, Option Bonds, Variable Rate Bonds, or as may be necessary to comply with applicable laws, rules and regulations of the United States and of the State in effect upon the issuance thereof.

The Bonds of this issue shall be subject to redemption prior to their maturity at the option of the Issuer.

(Insert Optional and/or Mandatory Redemption Provisions)

Notice of such redemption shall be given in the manner required by the Ordinance described below.

This Bond is one of an authorized issue of Bonds in the aggregate principal amount of \$_____ of like date, tenor and effect, except as to number, principal amount, maturity, redemption provisions and interest rate, issued to _____, all in full compliance with the Constitution and Statutes of the State of Florida, including particularly [Chapter 159, Part I,] Chapter 166, Part II, Florida Statutes, as amended, and Ordinance No. ____-____ duly enacted by the Issuer on _____, 2010, as amended and supplemented (hereinafter collectively called the "Ordinance") and is subject to all the terms and conditions of such Ordinance. All

capitalized undefined terms used herein shall have the meaning set forth in the Ordinance.

This Bond is payable solely from and secured by a pledge of the Net Revenues of the System levied and collected by the Issuer, [the Sewer System Capital Facilities Fees, the Water System Capital Facilities Fees,] and the moneys in certain funds and accounts created pursuant to the Ordinance (collectively, the "Pledged Revenues") in the manner and to the extent provided in the Ordinance. Reference is made to the Ordinance for more complete definition and description of the System and the Pledged Revenues.

This Bond does not constitute a general indebtedness of the Issuer within the meaning of any constitutional, statutory or charter provision or limitation, and it is expressly agreed by the Holder of this Bond that such Bondholder shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer or taxation of any real or personal property therein for the payment of the principal of and interest on this Bond or the making of any debt service fund, reserve or other payments provided for in the Ordinance.

It is further agreed between the Issuer and the Holder of this Bond that this Bond and the indebtedness evidenced thereby shall not constitute a lien upon the System, or any part thereof, or on any other property of or in the Issuer, but shall constitute a lien only on the Pledged Revenues all in the manner provided in the Ordinance.

The Issuer has covenanted, in the Ordinance, to fix, establish, revise from time to time whenever necessary, maintain and collect always such fees, rates, rentals and other charges for the use of the products, services and facilities of the System which will always provide, Net Revenues in each Fiscal Year sufficient to pay one hundred ten percent (110%) of the Bond Service Requirement on all Outstanding Bonds in the applicable Bond Year, or Net Revenues in each Fiscal Year sufficient to pay one hundred five percent (105%) of the Bond Service Requirement on all Outstanding Bonds in the applicable Bond Year; and Net Revenues, [Water System Capital Facilities Fees and Sewer System Capital Facilities Fees] in each Fiscal Year sufficient to pay at least one hundred twenty percent (120%) of the Bond Service Requirement on all Outstanding Bonds in the applicable Bond Year.

Net Revenues will not be reduced so as to render them insufficient to provide revenues for the purposes provided therefor by the Ordinance. Nothing in the Ordinance

will obligate the Issuer to impose Sewer System Capital Facilities Fees or Water System Capital Facilities Fees.

The Issuer has entered into certain further covenants with the Holders of the Bonds of this issue for the terms of which reference is made to the Ordinance.

It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and Statutes of the State of Florida.

This Bond is and has all the qualities and incidents of a negotiable instrument under Article 8 of the Uniform Commercial Code, the State of Florida, Chapter 678, Florida Statutes, as amended.

The transfer of this Bond is registrable by the Bondholder hereof in person or by his attorney or legal representative at the designated corporate trust office of the Registrar but only in the manner and subject to the conditions provided in the Ordinance and upon surrender and cancellation of this Bond.

Section 19: Special obligations of issuer. The Bonds and any Parity Contract Obligations shall not be or constitute general obligations or indebtedness of the Issuer as "bonds" within the meaning of the Constitution of the State, but shall be payable solely from and secured by a first lien upon and a pledge of the Pledged Revenues as herein provided. No Holder or Holders of any Bonds issued hereunder or Qualified Agreement Provider shall ever have the right to compel the exercise of the ad valorem taxing power of the Issuer or taxation in any form of any real or personal property therein, or to compel the Issuer to pay such principal and interest from any other funds of the Issuer.

The payment of principal of and interest on the Bonds and any Parity Contract Obligation shall be secured forthwith equally and ratably by, and the Issuer hereby grants to the Bondholders and any Qualified Agreement Provider (to the extent set forth in the related Qualified Agreement) an irrevocable lien on the Pledged Revenues, prior and superior to all other liens or encumbrances on such Pledged Revenues and the Issuer does hereby irrevocably pledge such Pledged Revenues to the payment of the principal of,

redemption premium, if any, and interest on the Bonds and any Parity Contract Obligation, for the reserves therefor and for all other payments required hereunder. Such amounts hereby pledged and assigned shall immediately be subject to the lien of this pledge without any further physical delivery thereof or any further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Issuer, irrespective of whether such parties have notice thereof.

Section 20: Covenants of the issuer. For so long as any of the principal of and interest on any of the Bonds shall be outstanding and unpaid or until the Issuer has made provision for payment of principal, interest and redemption premiums, if any, with respect to the Bonds, as provided herein, the Issuer covenants with the Holders of any and all Bonds as follows:

(A) **REVENUE FUND.** All Gross Revenues of the System shall, upon receipt thereof, be deposited in the Revenue Fund. All deposits into such Revenue Fund shall be deemed to be held in trust for the purposes herein provided and used only for the purposes and in the manner herein provided.

(B) **DISPOSITION OF REVENUES.** All Net Revenues in the Revenue Fund, after payment of Cost of Operation and Maintenance of the System, shall be disposed of monthly, but not later than the twenty-fifth (25th) day of each month commencing in the month immediately following the delivery of the Bonds only in the following manner and the following order of priority:

(1) The Issuer shall first deposit into the Bond Service Fund and credit to the following accounts, in the following order (except that payments into the Interest Account and the Parity Contract Obligations Account shall be on parity with each other, and the payments into the Principal Account and the Redemption Account shall be on a parity with each other), the following identified sums:

(a) **Interest Account:** Taking into account actual and anticipated earnings in the Interest Account of the Bond Service Fund within the current Bond Year, such sum as will be sufficient to pay one-sixth (1/6th) of all interest coming due on all Outstanding Bonds on the next interest payment date; provided, however, that monthly deposits of interest, or portions thereof, shall not be required to be made to the extent that money on deposit within such Interest Account is sufficient for such purpose. In the event the Issuer has issued Variable Rate Bonds pursuant to the provisions hereof, Net Revenues shall be deposited at such other or additional times and amounts as necessary to pay any interest coming due on such Variable Rate Bonds on the next interest payment date, all in the manner provided in a Supplemental Ordinance of the Issuer. Any monthly payment out of Net Revenues to be deposited as set forth above, for the purpose of meeting interest payments for any Series of Bonds, shall be adjusted, as appropriate, to reflect the frequency of interest payment dates applicable to such Series. Moneys in the Interest Account may be used only for the purposes set forth in this paragraph (a).

(b) Parity Contract Obligations Account: Taking into account the actual and anticipated earnings in the Parity Contract Obligations Account in the Bond Service Fund within the current Bond Year, a pro rata estimated amount necessary to build up over time the amount of any Parity Contract Obligation which will next be due and payable or reasonably expected to be due and payable under any Qualified Agreement on the next payment date thereunder; provided, however, that the monthly amount to be so deposited may be adjusted, as appropriate, to reflect the frequency of payment dates thereunder (e.g., if such Parity Contract Obligations are required to be paid semi-annually, the Issuer shall be required to monthly deposit an amount which is estimated to equal one-sixth (1/6th) of the next such payment). Moneys in the Parity Contract Obligations Account may be used only for the purposes set forth in this paragraph (b).

(c) Principal Account: Taking into account actual and anticipated earnings in the Principal Account of the Bond Service Fund within the current Bond Year, such sum as will be sufficient to pay one-twelfth (1/12th) of the principal amount of the Outstanding Bonds which will mature and become due on such annual maturity dates beginning the month which is twelve (12) months prior to the first principal maturity date; provided, however, that monthly deposits for principal, or portions thereof, shall not be required to be made to the extent that money on deposit within such Principal Account is sufficient for such purpose. Any monthly payment out of Net Revenues to be deposited as set forth above, for the purpose of meeting principal payments for any Series of Bonds, shall be adjusted, as appropriate, to reflect the frequency of principal payment dates applicable to such Series. Moneys in the Principal Account may be used only for the purposes set forth in this paragraph (c).

(d) Redemption Account: Taking into account actual and anticipated earnings in the Redemption Account of the Bond Service Fund within the current Bond Year, such sum as will be sufficient to pay one-twelfth (1/12th) of any Amortization Installment established for the mandatory redemption of Outstanding Bonds on such annual maturity date beginning the month which is twelve (12) months prior to the first Amortization Installment date; provided, however, that monthly deposits into the Redemption Account, or portions thereof, shall not be required to be made to the extent that money on deposit in the Redemption Account is sufficient for such purpose. Any monthly payment out of Net Revenues to be deposited as set forth above, for the purpose of meeting Amortization Installments for any Series of Bonds, shall be adjusted, as appropriate, to reflect the frequency of dates established for Amortization Installments applicable to such Series. The moneys in the Redemption Account shall be used solely for the purchase or redemption of the Term Bonds payable therefrom. The Issuer may at any time purchase any of said Term Bonds at prices not greater than the then redemption price of said Term Bonds. If the Term Bonds are not then redeemable prior to maturity, the Issuer may purchase said Term Bonds at prices not greater than the redemption price of such Term Bonds on the next ensuing redemption date. If Term Bonds are so purchased by the Issuer, the Issuer shall credit the account of such purchased Term Bonds against any current Amortization Installment to be paid by the Issuer. If the Issuer shall purchase or call for redemption in any year Term Bonds in excess of the Amortization

Installment requirement for such year, such excess of Term Bonds so purchased or redeemed shall be credited in such manner and at such times as the Issuer shall determine. Moneys in the Redemption Account in the Debt Service Fund may be used only for the purposes set forth in this paragraph (d).

(2) To the extent that the amounts on deposit in the Reserve Fund are less than the Reserve Requirement, the Issuer shall next make deposits into the Reserve Fund in the manner described below from moneys remaining in the Revenue Fund. Any withdrawals from the Reserve Fund shall be subsequently restored from the first moneys available in the Revenue Fund, after all required current payments for Cost of Operation and Maintenance as set forth above and all current applications and allocations to the Bond Service Fund, including all deficiencies for prior payments have been made in full. Notwithstanding the foregoing, in case of withdrawal from the Reserve Fund, in no event shall the Issuer be required to deposit into the Reserve Fund an amount greater than that amount necessary to ensure that the difference between the Reserve Requirement and the amounts on deposit in the Reserve Fund on the date of calculation shall be restored not later than sixty (60) months after the date of such deficiency (assuming equal monthly payments into the Reserve Fund for such sixty (60) month period).

Upon the issuance of any Additional Parity Obligations under the terms, limitations and conditions as herein provided, the Issuer may, on the date of delivery of such Additional Parity Obligations, increase the sum required to be accumulated and maintained on deposit in the Reserve Fund to be at least equal to the Reserve Requirement on all Outstanding Bonds including the Additional Parity Obligations then issued. Such required sum may be paid in full or in part from the proceeds of such Additional Parity Obligations or may be accumulated in equal monthly payments to the Reserve Fund over a period of months from the date of issuance of the Additional Parity Obligations, which shall not exceed the greater of (a) twelve (12) months, or (b) the number of months for which interest on such Additional Parity Obligations has been capitalized, as determined by Supplemental Ordinance. In the event moneys in the Reserve Fund are accumulated as provided above, (i) the amount in said Reserve Fund on the date of delivery of the Additional Parity Obligations shall not be less than the Reserve Requirement on all Bonds Outstanding (excluding the Additional Parity Obligations) on such date, and (ii) the incremental difference between the Reserve Requirement on all Bonds Outstanding (excluding the Additional Parity Obligations) on the date of delivery of the Additional Parity Obligations and the Reserve Requirement on all such Bonds and the Additional Parity Obligations shall be fifty percent (50%) funded upon delivery of the Additional Parity Obligations.

The Issuer may also establish a separate subaccount in the Reserve Fund for any Series of Bonds and provide a pledge of such subaccount to the payment of such Series of Bonds apart from the pledge provided herein. To the extent a Series of Bonds is secured separately by a subaccount of the Reserve Fund, the Holders of such Bonds shall not be secured by any other moneys in the Reserve Fund. Moneys in a separate subaccount of the Reserve Fund shall be maintained at the Reserve Requirement applicable to such Series of Bonds secured by the subaccount; provided the Supplemental Ordinance

authorizing such Series of Bonds may establish the Reserve Requirement relating to such separate subaccount of the Reserve Fund at such level as the Issuer deems appropriate. Moneys shall be deposited in the separate subaccounts in the Reserve Fund on a pro-rata basis. In the event the Issuer shall maintain a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit and moneys in the Reserve Fund or any subaccount therein, the moneys shall be used prior to making any disbursements under such Reserve Fund Insurance Policy or Reserve Fund Letter of Credit.

Notwithstanding the foregoing, in lieu of or in substitution for the required deposits into the Reserve Fund, the Issuer may cause to be deposited into the Reserve Fund a Reserve Fund Insurance Policy and/or a Reserve Fund Letter of Credit in an amount equal to the difference between the Reserve Requirement and the sums then on deposit in the Reserve Fund plus the amounts to be deposited therein pursuant to the preceding paragraph.

In the event the Reserve Fund contains both a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit and cash, the cash shall be drawn down completely prior to any draw on the Reserve Fund Insurance Policy or Reserve Fund Letter of Credit. In the event more than one Reserve Fund Insurance Policy or Reserve Fund Letter of Credit is on deposit in the Reserve Fund, amounts required to be drawn thereon shall be done on a pro-rata basis calculated by reference to the maximum amounts available thereunder. The Issuer agrees to pay all Reimbursement Obligations in regard to any Reserve Fund Insurance Policy or Reserve Fund Letter of Credit from the Pledged Revenues. Pledged Revenues shall be applied in accordance with this Section 20(B)(2), on a pro-rata basis, to pay Reimbursement Obligations to the issuer of the Reserve Fund Insurance Policy or Reserve Fund Letter of Credit for amounts advanced under such instruments, replenish any cash deficiencies in the Reserve Fund, and to pay the issuer of the Reserve Fund Insurance Policy or Reserve Fund Letter of Credit interest on amounts advanced under such instruments. Notwithstanding anything herein to the contrary, this Ordinance shall not be discharged or defeased while any Reimbursement Obligations are owing in regard to a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit on deposit in the Reserve Fund.

If five (5) days prior to an interest payment date, principal payment date or date an Amortization Installment is due or such other period of time as shall be established pursuant to a Supplemental Ordinance, the Issuer shall determine that a deficiency exists in the amount of moneys available to pay in accordance with the terms hereof interest, principal or Amortization Installment due on the Bonds on such date, the Issuer shall immediately notify (1) the issuer of the applicable Reserve Fund Insurance Policy and/or the issuer of the Reserve Fund Letter of Credit and submit a demand for payment pursuant to the provisions of such Reserve Fund Insurance Policy and/or Reserve Fund Letter of Credit, and (2) the Paying Agent of the amount of such deficiency and the date on which such payment is due, and shall take all action to cause such issuer to provide moneys sufficient to pay all amounts due on such interest payment date.

The Issuer may evidence its obligation to reimburse the issuer of any Reserve Fund Letter of Credit or Reserve Fund Insurance Policy by executing and delivering a reimbursement agreement therefore which evidences a Reimbursement Obligation; provided, however, any reimbursement agreement (1) shall not be or create a general obligation of the Issuer the payment of which is secured by the full faith and credit or taxing power of the Issuer, and (2) shall be payable or obligate the Issuer to pay solely from the Pledged Revenues in a manner which is not inconsistent with the terms hereof.

Notwithstanding anything herein to the contrary, Reimbursement Obligations relating to a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit for any fees, expenses, claims or draws upon such Reserve Fund Insurance Policy or Reserve Fund Letter of Credit shall be subordinate to the payment of debt service on the Bonds and to the payment of Parity Contract Obligations. The right of the issuer of a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit to payment of reimbursement of its fees and expenses shall be subordinated to cash replenishment of the Reserve Fund, and subject to the second succeeding sentence, its right to reimbursement for claims or draws shall be prior to the replenishment of the cash drawn from the Reserve Fund. The Reserve Fund Insurance Policy or Reserve Fund Letter of Credit shall provide for a revolving feature under which the amount available thereunder will be reinstated to the extent of any reimbursement of draws or claims paid. If the revolving feature is suspended or terminated for any reason, the right of the issuer of the Reserve Fund Insurance Policy or Reserve Fund Letter of Credit reimbursement will be further subordinated to cash replenishment of the Reserve Fund to an amount equal to the difference between the full original amount available under the Reserve Fund Insurance Policy or Reserve Fund Letter of Credit and the amount then available for further draws or claims. If (1) the issuer of a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit becomes insolvent or (2) the issuer of a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit defaults in its payment obligations thereunder, the obligation to reimburse the issuer of the Reserve Fund Insurance Policy or Reserve Fund Letter of Credit shall be subordinate to the cash replenishment of the Reserve Fund.

If any Reserve Fund Letter of Credit or Reserve Fund Insurance Policy shall terminate prior to the stated expiration date thereof, the Issuer agrees that it shall fund the Reserve Fund over a period not to exceed twelve (12) months during which it shall make consecutive equal monthly payments in order that the amount on deposit in the Reserve Fund shall equal the Reserve Requirement; provided, the Issuer may obtain a new Reserve Fund Letter of Credit or a new Reserve Fund Insurance Policy in lieu of making the payments required by this paragraph.

Moneys in the Reserve Fund and subaccounts therein shall be used only for the purpose of the payment of Amortization Installments, principal of, or interest on the Outstanding Bonds secured thereby when the other moneys allocated to the Bond Service Fund are insufficient therefor, and for no other purpose.

Permitted Investments on deposit in the Reserve Fund shall be valued at fair value pursuant to generally accepted accounting principles at least annually. In the event of the

refunding of any Series of Bonds, the Issuer may withdraw from the Reserve Fund or subaccount securing such Series, all or any portion of the amounts accumulated therein with respect to the Bonds being refunded and deposit such amounts as required by the Ordinance authorizing the refunding of such Series of Bonds; provided that such withdrawal shall not be made unless (a) immediately thereafter, the Bonds being refunded shall be deemed to have been paid pursuant to the provisions hereof, and (b) the amount remaining in the Reserve Fund after giving effect to the issuance of such refunding obligations and the disposition of the proceeds thereof shall not be less than the Reserve Requirement for any Bonds then Outstanding which are secured thereby.

(3) From the moneys remaining in the Revenue Fund, the Issuer shall next deposit into the Subordinated Debt Service Fund an amount required to be paid as provided in the ordinance or agreement of the Issuer authorizing such Subordinated Debt, but for no other purposes.

(4) The Issuer shall next apply and deposit monthly from the moneys remaining on deposit in the Revenue Fund into the Renewal, Replacement and Improvement Fund, an amount at least equal to one-twelfth (1/12th) of five percent (5%) of the Gross Revenues received during the immediately preceding Fiscal Year. The moneys in the Renewal, Replacement and Improvement Fund shall be used only for the purpose of paying the cost of extensions, enlargements or additions to, or the replacement of capital assets of the System or emergency repairs or extraordinary repairs thereto. No further deposits shall be required to be made into the Renewal, Replacement and Improvement Fund when there shall be on deposit therein an amount equal to or greater than one percent (1%) of the gross book value of the fixed assets of the System pursuant to generally accepted accounting principles, or such other amount as may be determined from time to time by the Consulting Engineer. Funds on hand in the Renewal, Replacement and Improvement Fund may be used to pay current Cost of Operation and Maintenance to the extent moneys on deposit in the Revenue Fund are insufficient for such purposes. The moneys on deposit in such fund may also be used to supplement the Reserve Fund, if necessary, in order to prevent a default in the payment of the principal and interest on the Bonds.

(5) The balance of any moneys remaining in the Revenue Fund after the above required payments have been made shall be deposited into the Surplus Fund and may be used for any lawful purpose of the Issuer; provided, however, that none of such moneys shall be used for any purposes other than those hereinabove specified unless all current payments, including any deficiencies for prior payments, have been made in full and unless the Issuer shall have complied fully with all the covenants and provisions of this Ordinance.

(C) INVESTMENTS. Moneys in any fund or account created hereunder may be invested and reinvested in Permitted Investments which mature not later than the dates on which the moneys on deposit therein will be needed for the purpose of such fund. All income on such investments, except as otherwise provided, shall be deposited in the respective funds and accounts from which such investments

were made and be used for the purposes thereof unless and until the maximum required amount (or, with respect to the Project Fund, the amount required to acquire, construct and erect the Project) is on deposit therein, and thereafter shall be deposited in the Revenue Fund.

In determining the amount of any of the payments required to be made pursuant to this Section 20(C), credit may be given for all investment income accruing to the respective funds and accounts described herein, except as otherwise provided.

The cash required to be accounted for in each of the funds and accounts described in Section 20(B) may be deposited in a single bank account, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the cash on deposit therein for the various purposes of such funds and accounts as herein provided. The designation and establishment of the various funds in and by this Ordinance shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues and assets of the System for certain purposes and to establish certain priorities for application of such revenues and assets as herein provided.

The Issuer may at any time and from time to time appoint one or more depositories to hold, for the benefit of the Bondholders, any one or more of the funds, accounts and subaccounts established hereby. Such depository or depositories shall perform at the direction of the Issuer the duties of the Issuer in depositing, transferring and disbursing moneys to and from each of such funds and accounts as herein set forth, and all records of such depository in performing such duties shall be open at all reasonable times to inspection by the Issuer and its agent and employees. Any such depository shall be a bank or trust company duly authorized to exercise corporate trust powers and subject to examination by federal or state authority, of good standing, and having a combined capital, surplus and undivided profits aggregating not less than fifty million dollars (\$50,000,000).

(D) OPERATION AND MAINTENANCE. The Issuer will maintain the System and all parts thereof in good condition and will operate the same in an efficient and economical manner, making such expenditures for equipment and for renewals, repairs and replacements as may be proper for the economical operation and maintenance thereof.

(E) RATE COVENANT. The Issuer will fix, establish, revise from time to time whenever necessary, maintain and collect always such fees, rates, rentals and other charges for the use of the products, services and facilities of the System which will always provide,

(i) Net Revenues in each Fiscal Year sufficient to pay one hundred ten percent (110%) of the Bond Service Requirement on all Outstanding Bonds in the applicable Bond Year, or

(ii) Net Revenues in each Fiscal Year sufficient to pay one hundred five percent (105%) of the Bond Service Requirement on all Outstanding Bonds in the applicable Bond Year; and Net Revenues, [Water System Capital Facilities Fees and Sewer System Capital Facilities Fees] in each Fiscal Year sufficient to pay at least one hundred twenty percent (120%) of the Bond Service Requirement on all Outstanding Bonds in the applicable Bond Year.

In addition to compliance with either subparagraph (i) or (ii) above, Net Revenues in each Fiscal year shall also be sufficient to provide one hundred percent (100%) of the Bond Service Requirement on all Outstanding Bonds in the applicable Bond Year, any amounts required by the terms hereof to be deposited into the Reserve Fund or with any Credit Facility Issuer as a result of a withdrawal from the Reserve Fund, the Renewal, Replacement and Improvement Fund and debt service on other obligations payable from the Net Revenues of the System, and other payments, and all allocations and applications of revenues herein required in such Fiscal Year.

Net Revenues shall not be reduced so as to render them insufficient to provide revenues for the purposes provided therefor by this Ordinance. Nothing herein will obligate the Issuer to impose Sewer System Capital Facilities Fees or Water System Capital Facilities Fees.

(F) BOOKS AND ACCOUNTS; AUDIT. The Issuer shall keep proper books, records and accounts, separate and apart from all other records and accounts, showing correct and complete entries of all transactions of the System, and the Holders of any of the Bonds or any duly authorized agent or agents of such Holders shall have the right at any and all reasonable times to inspect such books, records and accounts. The Issuer shall, within two hundred ten (210) days following the close of each Fiscal Year of the Issuer, cause an audit of such books, records and accounts to be made by an independent firm of certified public accountants.

Copies of each such audit report shall be placed on file with the Issuer and be made available at reasonable times for inspection by Holders of the Bonds.

(F) DISPOSITION OF SYSTEM.

(i) The System may be sold or otherwise disposed of as a whole or substantially as a whole, only if the net proceeds to be realized, together with other moneys available for such purpose, shall be sufficient to fully retire all of the Outstanding Bonds issued pursuant to this Ordinance and all interest thereon to their respective dates of maturity or earlier redemption dates and to make any termination payments required under any Qualified Agreement. The proceeds from such sale or other disposition of the System shall immediately be deposited first in the Bond Service Fund and then in the Subordinated Debt Service Fund and shall be used only for the purpose of paying Parity Contract Obligations, and paying the principal of and interest on the Bonds and Subordinated Debt as the

same shall become due, or the redemption of callable Bonds and Subordinated Debt, or the purchase of Bonds and Subordinated Debt at a price not greater than the redemption price of said Bonds and Subordinated Debt, or, if the Bonds or Subordinated Debt are not then redeemable prior to maturity, at prices not greater than the redemption price of such Bonds or Subordinated Debt on the next ensuing redemption date.

(ii) The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease, exchange or otherwise dispose of any of the tangible property or ownership interest in tangible property comprising a part of the System in the following manner, if any one of the following conditions exist: (a) such property is not necessary for the operation of the System or (b) such property is not useful in the operation of the System or (c) such property is not profitable in the operation of the System.

Prior to any sale, lease, exchange or other disposition of said property:

(1) if the amount to be received therefor is not in excess of one-half (1/2) of one percentum (1%) of the value of the gross plant investment in the System, the officer of the Issuer charged with the normal acquisition, construction, operation, maintenance and repair of the portion of the System for which disposition is sought, may determine that such property comprising a part of such System is either no longer necessary, useful or profitable in the operation thereof.

(2) if the amount to be received therefor is in excess of one-half (1/2) of one percentum (1%) of the value of the gross plant investment in the System, the officer of the Issuer charged with the normal acquisition, construction, operation, maintenance and repair of the portion of the System for which disposition is sought and the Consulting Engineer shall each first make a finding in writing determining that such property comprising a part of such System is either no longer necessary, useful or profitable in the operation thereof, and the Issuer shall, by resolution duly adopted, approve and concur in the finding of such authorized officer and the Consulting Engineer.

The net proceeds realized from such disposal of a part of the System shall be deposited in the Renewal, Replacement and Improvement Fund to the extent necessary to make the amount on deposit therein equal to the amount then required to be on deposit therein; and any additional moneys not needed for said fund shall be used for any capital expenditures in connection with the System or the purchase or redemption of Outstanding Bonds.

(i) Notwithstanding any other provision of this Section 20(G) or this Ordinance to the contrary, except for the initial paragraph of this Section 20(G), the Issuer may sell, lease, exchange or otherwise dispose of tangible property or an ownership interest in tangible property comprising a part of the System provided the duly authorized officer charged with the normal acquisition, construction, operation, maintenance and repair of the

portion of the System for which disposition is sought, and the Qualified Independent Consultant each make a finding in writing, adopted and confirmed by resolution of the Issuer, determining that (i) such sale, lease, exchange or other disposition will not materially impair or restrict the Issuer's ability to realize Gross Revenues in compliance with the requirements therefor as set forth herein, and (ii) such sale, lease, exchange or other disposition is in the economic best interests of the Issuer.

(ii) Notwithstanding any other provision of this Section 20(G) or this Ordinance to the contrary, the Issuer may transfer ownership and/or operation of all or a portion of the System to any public body authorized by the laws of the State to own and/or operate such System on an installment sale basis provided that the Issuer (a) has received an opinion of Bond Counsel stating the federal income tax exemption of the interest on the Bonds (not including taxable Bonds) will not be affected and has received an opinion of Bond Counsel stating that such sale is not prohibited by any applicable Florida law, and (b) the Issuer adopts a resolution to the effect that, based upon such certificates and opinions of its Consulting Engineer, independent certified public accountants, Bond Counsel, Financial Advisor or other Qualified Independent Consultant as the Issuer shall deem necessary, desirable or appropriate, such transfer will not materially adversely affect the rights of the Holders of the Bonds.

(H) INSURANCE. The Issuer shall provide protection for the System both in accordance with the requirements of all agreements, if any, to which the Issuer may at the time be a party with respect to joint ownership of properties by the Issuer with others which is part of the System, and in accordance with Prudent Utility Practice. Said protection may consist of insurance, self insurance and indemnities. The Issuer will keep, or cause to be kept, the works, plants and facilities comprising the properties of the System insured, and will carry such other insurance against fire and other risks, accidents or casualties at least to the extent and of the kinds that insurance is usually carried by utilities operating like properties. Any insurance shall be in the form of policies or contracts for insurance with insurers of good standing, shall be payable to the Issuer and may provide for such deductibles, exclusions, limitations, restrictions, and restrictive endorsements customary in policies for similar coverage issued to entities operating properties similar to the properties of the System. Any self insurance shall be in the amounts, manner and of the type provided by entities operating properties similar to the properties of the System. In the event of any loss or damage to the System covered by insurance, the Issuer will, with respect to each such loss, promptly repair, reconstruct or replace the parts of the System affected by such loss or damage to the extent necessary to the proper conduct of the operation of the business of the System in accordance with Prudent Utility Practice, shall cause the proceeds of such insurance to be applied for that purpose to the extent required therefor, and pending such application, shall hold the proceeds of any insurance policy covering such damage or loss in trust to be applied for that purpose to the extent required therefor. Any excess insurance proceeds received by the Issuer may be used by the Issuer for any lawful purpose. Notwithstanding the

foregoing or any provisions of this Ordinance to the contrary, the Issuer shall not be required to maintain insurance with respect to facilities for which insurance shall not be available or for facilities which, in accordance with Prudent Utility Practice, are not customarily insured.

(I) NO FREE SERVICE. So long as any Bonds are outstanding, the Issuer shall not furnish or supply the facilities, services and commodities of the System either free of charge or for a nominal charge to any person, firm or corporation, public or private, including the Issuer's departments, agencies and instrumentalities which avail themselves of the services of the System. The Issuer shall promptly enforce the payment of any and all accounts owing to the Issuer and delinquent, by discontinuing service or by filing suits, actions or proceedings, or by both discontinuance of service and filing suit.

(J) MANDATORY CUT OFF. The Issuer shall establish a written policy consistent with sound business judgment for the disconnection from the System of any customer who fails to pay for services rendered by the System, and shall enforce such policy diligently and fairly.

(K) ENFORCEMENT OF COLLECTIONS. The Issuer will diligently enforce and collect the rates, fees and other charges for the services and facilities of the System and will take all steps, actions and proceedings for the enforcement and collection of such rates, charges and fees as shall become delinquent to the full extent permitted or authorized by law; and will maintain accurate records with respect thereof. All such fees, rates, charges and revenues shall, as collected, be held in trust to be applied as herein provided.

(L) OPERATING BUDGET. The Issuer shall annually, prior to commencement of each of its Fiscal Years, prepare and adopt a budget of the estimated expenditures for the operation and maintenance of the System during such next succeeding Fiscal Year. The Issuer shall mail copies of such annual budgets (including any amendments thereto) to any Holder or Holders of Bonds who shall file his address with the Issuer and request in writing that copies of all such budgets be furnished him and shall make available such budgets of the System at all reasonable times to any Holder or Holders of Bonds or to anyone acting for and on behalf of such Holder or Holders. Bondholders shall pay reasonable actual cost of printing and mailing of such copies.

(M) MANDATORY CONNECTIONS; NO COMPETING SYSTEM. So long as service is in fact available as reasonably determined by the Issuer, the Issuer will, to the full extent permitted by law, require all lands, buildings and structures within the area being served by the System as of the date of issuance of the Bonds, to connect with and use such facilities within sixty (60) days after notification. To the extent permitted by law, the Issuer will not grant a franchise for the operation of any competing utility system or systems within the area served by the System as of the date of issuance of the Bonds until all Bonds issued hereunder, together with the interest thereon, and premium, if any, have been paid in full. Notwithstanding the foregoing, the Issuer shall not be required to duplicate services being provided by private or public utilities in the area being served by

such private or public utilities on the date of issuance of the Bonds. In addition, the Issuer shall not be prohibited from allowing other private or public utilities to provide services within the area being served by the System as of the date of issuance of the Bonds, if the Issuer shall not be providing such service in such area on that date. Nothing herein shall be deemed to constitute the approval of the Issuer for any private or public utility (other than the System) to provide any services within the boundaries of the Issuer or within the area being served by the System as of the date of issuance of the Bonds or within any other area of the Issuer.

(N) **SUPERVISORY PERSONNEL.** The Issuer, in operating the System, will employ or designate, as manager, one or more of its qualified employees, or an independent contractor, who have demonstrated ability and experience in operating similar facilities, and will require all such employees or independent contractors, as the case may be, who may have possession of money derived from the operation of the System to be covered by a fidelity bond, written by a responsible indemnity company in amounts fully adequate to protect the Issuer from loss.

(O) **PAYMENT OF TAXES, ASSESSMENTS AND OTHER CLAIMS.** The Issuer shall from time to time duly pay and discharge, or cause to be paid and discharged, all taxes, assessments and other governmental charges, or payments in lieu thereof, lawfully imposed upon the properties constituting the System or the Gross Revenues, Sewer System Capital Facilities Fees or Water System Capital Facilities Fees when the same shall become due, as well as all lawful claims for labor and materials and supplies which, if not paid, might become a lien or charge upon such properties or any part thereof, or upon the Gross Revenues, Sewer System Capital Facilities Fees or Water System Capital Facilities Fees or which might in any way impair the security of the Bonds, except assessments, charges or claims which the Issuer shall in good faith contest by proper legal proceedings.

(P) **ISSUANCE OF OTHER OBLIGATIONS.** The Issuer shall issue no bonds or obligations of any kind or nature payable from or enjoying a lien on the Pledged Revenues if such obligations have priority over the Bonds or any Parity Contract Obligations with respect to payment or lien, nor shall the Issuer create or cause or permit to be created any debt, lien, pledge, assignment, encumbrance or other charge having priority to or being on a parity with the lien of the Bonds and any Parity Contract Obligations upon said Pledged Revenues. Notwithstanding any other provision in this Section 20(P), the Issuer may issue Additional Parity Obligations under the conditions and in the manner provided herein. Any obligations of the Issuer, other than the Bonds and any Parity Contract Obligations, which are payable from the Pledged Revenues shall contain an express statement that such obligations are junior and subordinate in all respects to the Bonds and any Parity Contract Obligations as to lien on and source and security for payment from such Pledged Revenues.

(Q) **ISSUANCE OF ADDITIONAL PARITY OBLIGATIONS.** No Additional Parity Obligations shall be issued after the issuance of the Bonds herein authorized, except upon the conditions and in the manner hereinafter provided:

(1) There shall have been obtained and filed with the Clerk a certificate of an Issuer's Finance Director stating: (a) that the books and records of the Issuer relative to the System and the Net Revenues, and if applicable, the Sewer System Capital Facilities Fees and the Water System Capital Facilities Fees, have been reviewed by the Finance Director; and either (b) that the amount of the Net Revenues derived for any consecutive twelve (12) months out of the preceding thirty (30) months preceding the date of issuance of the proposed Additional Parity Obligations (the "Test Period") adjusted as provided in paragraphs (2), (3), (4), (5) and/or (6) below, is equal to not less than 110% of the Maximum Bond Service Requirement becoming due in any Bond Year thereafter on (A) all Bonds issued under this Ordinance, if any, then Outstanding, and (B) on the Additional Parity Obligations with respect to which such certificate is made, or (c) that Net Revenues during the Test Period adjusted as provided in paragraphs (2), (3), (4), (5) and/or (6) below is equal to not less than 105% of the Maximum Bond Service Requirement becoming due in any Bond Year thereafter on (A) all Bonds issued under this Ordinance, if any, then Outstanding, and (B) on the Additional Parity Obligations with respect to which such certificate is made, and Net Revenues during the Test Period as so adjusted plus Sewer System Capital Facilities Fees and Water System Capital Facilities Fees during the Test Period is equal to not less than 120% of the Maximum Bond Service Requirement becoming due in any Bond Year thereafter on (A) all Bonds issued under this Ordinance, if any, then Outstanding, and (B) on the Additional Parity Obligations with respect to which such certificate is made.

(2) Upon recommendation of the Qualified Independent Consultants, the Net Revenues certified pursuant to (b) and (c) in the previous paragraph may be adjusted for purposes of this Section 20(Q) by including: (a) 100% of the additional Net Revenues which in the opinion of the Qualified Independent Consultant would have been derived by the Issuer from rate increases adopted before the Additional Parity Obligations are issued, if such rate increases had been implemented before the commencement of such Bond Year and (b) 100% of the additional Net Revenues estimated by the Qualified Independent Consultant to be derived during the first full twelve month period after the facilities of the System are extended, enlarged, improved or added to with the proceeds of the Additional Parity Obligations with respect to which such certificate is made.

(3) Upon recommendation of the Qualified Independent Consultants if the Additional Parity Obligations are to be issued for the purpose of acquiring an existing water system and/or sewer system and/or any other utility system in accordance with Section 26 hereof, the Net Revenues certified pursuant to Section 20(Q)(1)(b) or (c) may be adjusted by including: 100% of the additional estimated Net Revenues which in the written opinion of the Qualified Independent Consultants will be derived from the acquired facilities during the first full 12-month period after the issuance of such Additional Parity Obligations (the Qualified Independent Consultants' report shall be based on the actual operating revenues of the acquired utility for a recent 12-month period adjusted to reflect the Issuer's ownership and the Issuer's rate structure in effect with respect to the System at the time of the issuance of the Additional Parity Obligations).

(4) Upon recommendation of the Qualified Independent Consultants, if the number of connections as of the first day of the month in which the proposed Additional Parity Obligations are to be issued exceeds the average number of such connections during such twelve (12) consecutive month period, then the Net Revenues certified pursuant to Section 20(Q)(1)(b) or (c) may be adjusted to include the Net Revenues which would have been received in such twelve (12) consecutive months if those additional connections had also been connected to the System during all of such twelve (12) consecutive months.

(5) Upon recommendation of the Qualified Independent Consultant, if the Issuer shall have entered into a contract, which contract shall be for a duration of not less than the final maturity of the proposed Additional Parity Obligations, with any public body, whereby the Issuer shall have agreed to furnish services for the collection, treatment or disposal of sewage or agreed to furnish services in connection with any water system or any other utility system, then the Net Revenues certified pursuant to Section 20(Q)(1)(b) or (c) may be increased (to the extent such amounts were not reflected in such Net Revenues) by the minimum amount which the public body shall guarantee to pay in any one year for the furnishing of services by the Issuer, after deducting from such payment the estimated Cost of Operation and Maintenance attributable in such year to such services.

(6) Upon recommendations of the Qualified Independent Consultants, if there is an estimated increase in Net Revenues to be received by the Issuer as a result of additions, extensions or improvements to the System during the period of three (3) years following the completion of such additions, extensions or improvements financed with the proceeds of Bonds or Additional Parity Obligations, then the Net Revenues derived from the System certified pursuant to Section 20(Q)(1)(b) or (c) may be increased by fifty percent (50%) of the average annual additional Net Revenues calculated for such three year period.

(7) The Issuer need not comply with the provisions of paragraph (1) of this Section 20(Q) if and to the extent the Bonds to be issued are Refunding Bonds, if the Issuer shall cause to be delivered a certificate of the Finance Director of the Issuer setting forth the Average Annual Debt Service Requirement (i) for the Bonds then Outstanding and (ii) for all Series of Bonds to be immediately Outstanding thereafter and stating that the Average Annual Debt Service Requirement pursuant to (ii) above is not greater than that set forth pursuant to (i) above.

(8) The Issuer need not comply with the provisions of paragraph (1) of this Section 20(Q) if and to the extent the Bonds to be issued are for the purpose of providing any necessary additional funds required for completion of any improvements to the System ("Completion Bonds") if originally financed with the proceeds of Bonds; provided that such Completion Bonds for which the Issuer need not comply with the provision of such paragraph (1) of this Section 20(Q) may not exceed 10% of the total

principal amount of Bonds estimated to be required for such improvements to the System at the time of issuance of the initial Series of Bonds to finance such improvements.

(9) The Finance Director of the Issuer shall have certified that the Issuer is not in default in the carrying out of any of the obligations assumed under this Ordinance and no event of default shall have occurred under this Ordinance and shall be continuing, and all payments required by this Ordinance to be made into the funds and accounts established hereunder shall have been made to the full extent required.

(10) The Supplemental Ordinance authorizing the issuance of the Additional Parity Obligations shall recite that all of the covenants contained herein will be applicable to such Additional Parity Obligations.

(R) SEWER SYSTEM CAPITAL FACILITIES FEES. All Sewer System Capital Facilities Fees, if any, shall be deposited into the Sewer System Capital Facilities Fees Fund. All moneys remaining on deposit in such fund shall be utilized on or before the 26th day of each month and shall be applied by the Issuer as follows:

(1) Such moneys shall, in the case of a deficiency in the Bond Service Fund, first be applied and allocated, together with Water System Capital Facilities Fees to the Bond Service Fund to supplement other Pledged Revenues to be deposited therein or in substitution of other Pledged Revenues to be deposited therein.

(2) Thereafter, all moneys in the Sewer System Capital Facilities Fees Fund may be applied by the Issuer for any use allowed by law.

Notwithstanding any provision of this Ordinance to the contrary, the amount of Sewer System Capital Facilities Fees used for the payment of principal of, redemption premium, if any, and interest on the Bonds in any Bond Year shall never exceed the maximum amount permitted by law.

(S) WATER SYSTEM CAPITAL FACILITIES FEES. All Water System Capital Facilities Fees, if any, shall be deposited into the Water System Capital Facilities Fees Fund. All moneys remaining on deposit in such fund shall be utilized on or before the 26th day of each month and shall be applied by the Issuer as follows:

(1) Such moneys shall, in the case of a deficiency in the Bond Service Fund, first be applied and allocated, together with Sewer System Capital Facilities Fees to the Bond Service Fund to supplement other Pledged Revenues to be deposited therein or in substitution of other Pledged Revenues to be deposited therein.

(2) Thereafter, all moneys in the Sewer System Capital Facilities Fees Fund may be applied by the Issuer for any use allowed by law.

Notwithstanding any provision of this Ordinance to the contrary, the amount of Water System Capital Facilities Fees used for the payment of principal of, redemption

premium, if any, and interest on the Bonds in any Bond Year shall never exceed the maximum amount permitted by law.

(T) **RATE STABILIZATION FUND.** The Issuer may transfer into the Rate Stabilization Fund such moneys which are on deposit in the Surplus Fund as it deems appropriate. The Issuer may transfer such amount of moneys from the Rate Stabilization Fund to the Revenue Fund as it deems appropriate; provided, however, that on or prior to each principal and interest payment date for the Bonds (in no event earlier than the 25th day of the month next preceding such payment date), moneys in the Rate Stabilization Fund shall be applied for the payment into the Interest Account, the Parity Contract Obligation Account, the Principal Account and the Redemption Account when the moneys therein are insufficient to pay the principal of and interest on the Bonds coming due and to pay any Parity Contract Obligations, but only to the extent moneys transferred from the Surplus Fund and Renewal, Replacement and Improvement Fund for such purposes pursuant to Sections 20(B)(4) and 20(B)(5) hereof, shall be inadequate to fully provide for such insufficiency.

Section 21. Defaults; events of default and remedies. Except as provided below, if any of the following events occur, it is hereby defined as and declared to be and to constitute an "Event of Default:"

- (A) Default in the due and punctual payment of any interest on the Bonds;
- (B) Default in the due and punctual payment of the principal of and premium, if any, on any Bond, at the stated maturity thereof, or upon proceedings for redemption thereof;
- (C) Default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Issuer contained in this Ordinance or in the Bonds and the continuance thereof for a period of thirty (30) days after written notice to the Issuer given by the Holders of not less than twenty-five percent (25%) of aggregate principal amount of Bonds then Outstanding (provided, however, that with respect to any obligation, covenant, agreement or condition which requires performance by a date certain, if the Issuer performs such obligation, covenant, agreement or condition within thirty (30) days of written notice as provided above, the default shall be deemed to be cured);
- (D) Failure by the Issuer promptly to remove any execution, garnishment or attachment of such consequence as will materially impair its ability to carry out its obligations hereunder; or
- (E) Any act of bankruptcy or the rearrangement, adjustment or readjustment of the obligations of the Issuer under the provisions of any bankruptcy or moratorium laws or similar laws relating to or affecting creditors' rights.

The term "default" shall mean default by the Issuer in the performance or observance of any of the covenants, agreements or conditions on its part contained in this

Ordinance, any Supplemental Ordinance or in the Bonds, exclusive of any period of grace required to constitute a default or an "Event of Default" as hereinabove provided.

Notwithstanding the foregoing, the occurrence of any default under a Qualified Agreement, including without limitation failure on the part of the Issuer to pay Parity Contract Obligations or to pay a termination fee under a Qualified Agreement, shall not be construed as or deemed to constitute an "Event of Default" hereunder; rather, such occurrence shall be remedied pursuant to such Qualified Agreement and applicable legal and equitable principles taking into account the parity status as to lien on Pledged Revenues which the counterparty to such Qualified Agreement enjoys as to Parity Contract Obligations only, relative to that of the Bondholders and their rights to payments hereunder.

For purposes of Section 21(A) and (B) hereof, no effect shall be given to any payments made under any Bond Insurance Policy.

Any Holder of Bonds issued under the provisions hereof or any trustee acting for the Holders of such Bonds may, either at law or in equity, by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights, including the right to the appointment of a receiver, existing under State or federal law, or granted and contained herein, and may enforce and compel the performance of all duties required herein or by any applicable law to be performed by the Issuer or by any officer thereof. Nothing herein, however, shall be construed to grant to any Holder of the Bonds any lien on any property of the Issuer, except the Pledged Revenues.

The foregoing notwithstanding:

(i) No remedy conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder.

(ii) No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised as often as may be deemed expedient.

(iii) No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

(iv) Acceleration of the payment of principal of and interest on the Bonds shall not be a remedy hereunder in the case of an Event of Default.

Upon the occurrence of an Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Bondholders under

this Ordinance, the Bondholders shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the System and the funds pending such proceedings, with such powers as the court making such appointment shall confer. Notwithstanding any provision of this Ordinance to the contrary, for all purposes of this Section 21, except the giving of notice of any Event of Default to the Holder of the Bonds, any Insurer of Bonds shall be deemed to be the Holder of the Bonds it has insured.

On the occurrence of an Event of Default, to the extent such rights may then lawfully be waived, neither the Issuer nor anyone claiming through or under it, shall set up, claim or seek to take advantage of any stay, extension or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement of this Ordinance, and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent it may lawfully do so, the benefit of all such laws and all right of redemption to which it may be entitled. Within 30 days of knowledge thereof, both the Issuer and the Paying Agent shall provide notice to any and all Insurers of Bonds of the occurrence of any Event of Default. The respective Insurers of Bonds shall be included as a party in interest and as a party entitled to (i) notify the Issuer or any applicable receiver of the occurrence of an Event of Default, and (ii) request the receiver to intervene in judicial proceedings that affect the Bonds or the security therefor. The receiver is required to accept notice of default from each Insurer of Bonds. Anything in this Ordinance to the contrary notwithstanding, upon the occurrence and continuance of an Event of Default, the Insurers of Bonds in default shall be entitled to control and direct the enforcement of all rights and remedies granted to the Bondholders under this Ordinance, and the Insurers of Bonds in default shall also be entitled to approve all waivers of events of default.

Section 22: Amending and supplementing of ordinance without consent of holder of bonds. The Issuer, from time to time and at any time and without the consent or concurrence of any Holder of any Bonds, may enact a Supplemental Ordinance amendatory hereof or supplemental hereto if the provisions of such Supplemental Ordinance shall not materially adversely affect the rights of the Holders of the Bonds then Outstanding, for any one or more of the following purposes:

(A) To make any changes or corrections in this Ordinance as to which the Issuer shall have been advised by Bond Counsel that are required for the purpose of curing or correcting any ambiguity or defective or inconsistent provisions or omission or mistake or manifest error contained in this Ordinance, or to insert in this Ordinance such provisions clarifying matters or questions arising under this Ordinance as are necessary or desirable;

(B) To add additional covenants and agreements of the Issuer for the purpose of further securing the payments of the Bonds and any Parity Contract Obligations;

(C) To surrender any right, power or privilege reserved to or conferred upon the Issuer by the terms of this Ordinance;

(D) To confirm, as further assurance, any lien, pledge or charge or the subjection to any lien, pledge or charge, created or to be created by the provisions of this Ordinance;

(E) To grant to or confer upon the Holders or any Qualified Agreement Provider any additional right, remedies, powers, authority or security that lawfully may be granted to or conferred upon them;

(F) To assure compliance with federal "arbitrage" provisions in effect from time to time;

(G) To provide such changes as may be necessary in order to adjust the terms hereof (but not including the provisions of Section 20(E) and Section 20(Q) hereof) so as to facilitate the issuance of Variable Rate Bonds, Option Bonds, the execution of a Qualified Agreement, or to obtain a Credit Facility;

(H) To provide for the combining of the System with any other utility provided the conditions set forth in Section 26 hereof are satisfied;

(I) To provide for the transfer of the ownership and/or operation of the System pursuant to a governmental reorganization as set forth in Section 25 hereof; or

(J) To modify any of the provisions of this Ordinance in any other aspects provided that such modifications shall not be effective until after the Bonds Outstanding at the time such Supplemental Ordinance is adopted shall cease to be Outstanding, or until the holders thereof consent thereto pursuant to Section 23 hereof, and any Bonds issued subsequent to any such modification shall contain a specific reference to the modifications contained in such Supplemental Ordinance.

Except for Supplemental Ordinances providing for the issuance of Bonds pursuant hereto, the Issuer shall not adopt any Supplemental Ordinance authorized by the foregoing provisions of this Section unless, in the opinion of Bond Counsel, the enactment of such Supplemental Ordinance is permitted by the foregoing provisions of this Section.

Any rating agency rating the Bonds must receive notice of each amendment and a copy thereof at least fifteen (15) days in advance of its execution or adoption.

Section 23: Amendment of Ordinance with consent of holders of bonds. Except as provided in Section 22 hereof, no material modification or amendment of this Ordinance or of any Ordinance supplemental hereto shall be made without the consent in writing of the Holders of fifty-one percent (51%) or more in the principal amount of the Bonds of each Series so affected and then Outstanding and any Qualified Agreement Provider. For purposes of this Section, to the extent any Bonds are insured by a Bond Insurance Policy or are secured by a Credit Facility and such Bonds are then rated in as high a rating category as the rating category in which such Bonds were rated at the time

of initial issuance and delivery thereof by either S&P, Moody's or Fitch or successors and assigns, then the consent of the Insurer or Insurers of such Bond Insurance Policy or the issuer or issuers of such letter of credit shall be deemed to constitute the consent of the Holder of such Bonds. No modification or amendment shall permit a change in the maturity of such Bonds or a reduction in the rate of interest thereon or in the amount of the principal obligation thereof or reduce the percentage of the Holders of the Bonds required to consent to any material modification or amendment hereof without the consent of the Holder or Holders of all such obligations. For purposes of the immediately preceding sentence, the issuer or issuers of a Bond Insurance Policy or a Credit Facility shall not consent on behalf of the Holders of the Bonds. No amendment or supplement pursuant to this Section 23 (but not including Section 22 hereof) shall be made without the consent of each of the Insurers of Bonds. Any rating agency rating the Bonds must receive notice of each amendment and a copy thereof at least fifteen (15) days in advance of its execution or adoption.

Section 24: Defeasance. The covenants and obligations of the Issuer shall be defeased and discharged under terms of this Ordinance as follows:

(A) If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to any Qualified Agreement Provider any and all Parity Contract Obligations and to the Holders of all Bonds the principal, redemption premium, if any, and interest due or to become due thereon, at the times and in the manner stipulated herein, then the pledge of the Pledged Revenues and all covenants, agreements and other obligations of the Issuer to any Qualified Agreement Provider and the Bondholders shall thereupon cease, terminate and become void and be discharged and satisfied. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to any Qualified Agreement Provider any and all Parity Contract Obligations and to the Holders of any Outstanding Bonds the principal, redemption premium, if any, and interest due or to become due thereon, at the times and in the manner stipulated herein, such Parity Contract Obligations and such Bonds shall cease to be entitled to any lien, benefit or security under this Ordinance, and all covenants, agreements and obligations of the Issuer to any Qualified Agreement Provider and the Holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

(B) The Bonds, redemption premium, if any, and interest due or to become due for the payment or redemption of which moneys shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (A) of this Section 24. Subject to the provisions of paragraph (C) and (D) of this Section 24, any Outstanding Bonds shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in paragraph (A) of this Section if (i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Issuer shall have given to the escrow agent instructions accepted in writing by the escrow agent to notify Holders of Outstanding Bonds in the manner required herein of the redemption of such Bonds on said date, and (ii) there shall have been deposited with the

escrow agent either moneys in an amount which shall be sufficient, or Acquired Obligations (including any Acquired Obligations issued or held in book-entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the escrow agent at the same time, shall be sufficient, to pay when due the principal of and premium, if any, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be. In the event of an advance refunding pursuant to clause (ii) above, the Issuer shall cause to be delivered a verification report of an independent nationally recognized certified public accountant. If a forward supply contract is employed in connection with the refunding, (i) such verification report shall expressly state that the adequacy of the escrow to accomplish the refunding project relies solely on the initial escrowed investments and the maturing principal thereof and interest income thereon and does not assume performance under or compliance with the forward supply contract, and (ii) the applicable escrow agreement shall provide that in the event of any discrepancy or difference between the terms of the forward supply contract and the escrow agreement and this Ordinance, the terms of the escrow agreement and this Ordinance shall be controlling.

(C) For purposes of determining whether Variable Rate Bonds shall be deemed to have been paid prior to the maturity or redemption date thereof, as the case may be, by the deposit of moneys, or Acquired Obligations and moneys, if any, in accordance with paragraph (B) of this Section 24, the interest to come due on such Variable Rate Bonds on or prior to the maturity date or redemption date thereof, as the case may be, shall be calculated at the highest of (i) the actual rate on the date of calculation, or if the indebtedness is not yet outstanding, the initial rate (if established and binding), (ii) if the indebtedness has been outstanding for at least twelve months, the average rate over the twelve months immediately preceding the date of calculation, and (iii) (1) if interest on the indebtedness is excludable from gross income under the applicable provisions of the Internal Revenue Code, the most recently published Bond Buyer 25 Bond Revenue Index (or comparable index if no longer published) plus fifty (50) basis points, or (2) if interest is not so excludable, the interest rate on direct U.S. Treasury Obligations with comparable maturities plus fifty (50) basis points; provided, however, that for purposes of any rate covenant measuring actual debt service coverage during a test period, variable rate indebtedness shall be deemed to bear interest at the actual rate per annum applicable during the test period; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the total amount of moneys and Acquired Obligations on deposit with the escrow agent for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited with the escrow agent on such date in respect of such Variable Rate Bonds in order to satisfy the second sentence of paragraph (B) of this Section 24, the escrow agent shall, if requested by the Issuer, pay the amount of such excess to the Issuer free and clear of any trust, lien, pledge or assignment securing the Bonds or otherwise existing under this Ordinance.

(D) Option Bonds shall be deemed to have been paid in accordance with the second sentence of paragraph (B) of this Section 24 only if, in addition to satisfying the

requirements of clauses (i) and (ii) of such sentence, there shall have been deposited with the escrow agent moneys in an amount which shall be sufficient to pay when due the maximum amount of principal of and redemption premium, if any, and interest on such Bonds which could become payable to the Holders of such Bonds upon the exercise of any options provided to the Holders of such Bonds; provided, however, that if, at the time a deposit is made with the escrow agent pursuant to paragraph (B) of this Section 24, the options originally exercisable by the Holder of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this paragraph (D). If any portion of the moneys deposited with the escrow agent for the payment of the principal of and redemption premium, if any, and interest on Option Bonds is not required for such purpose, the escrow agent shall, if requested by the Issuer, pay the amount of such excess to the Issuer free and clear of any trust, lien, security interest, pledge or assignment securing said Bonds or otherwise existing under the Ordinance.

Section 25: Governmental reorganization. Notwithstanding any other provisions of this Ordinance, this Ordinance shall not prevent any lawful reorganization of the governmental structure of the Issuer, including a merger or consolidation of the Issuer with another public body or the transfer of a public function of the Issuer to another public body, provided that any reorganization which affects the System shall provide that the System shall be continued as a single enterprise and that any public body which succeeds to the ownership and operation of the System shall also assume all rights, powers, obligations, duties and liabilities of the Issuer under this Ordinance and pertaining to all Bonds and any Qualified Agreement.

Section 26: Additional utility functions. The Issuer may expand the utility functions of the System as they exist on the date hereof as permitted in the definition of "System" contained herein and adopted resolutions or ordinances of the Issuer to the effect that, based upon such certificates and opinions of its Consulting Engineer, independent certified public accountants, Bond Counsel, Financial Advisor or other Qualified Independent Consultants as the Issuer shall deem necessary, desirable or appropriate, the addition of such utility functions (a) will not impair the ability of the Issuer to comply with the provisions of this Ordinance, and (b) will not materially adversely affect the rights of the Holders of the Bonds.

Section 27: Separately financed project. Nothing in this Ordinance shall prevent the Issuer from authorizing and issuing bonds, notes, or other obligations or evidences of indebtedness other than Bonds or Subordinated Debt, for any purpose of the Issuer authorized by the Act or from financing any such purpose from other available funds (such purpose being referred to herein as a "Separately Financed Project"), if the debt service on such bonds, notes, or other obligations or evidences of indebtedness, if any, and the Issuer's share of any operating expenses related to such Separately Financed Project, are payable solely from the revenues or other income derived from the ownership or operation of such Separately Financed Project or from other legally available funds of

the Issuer, including but not limited to funds withdrawn from the Revenue Fund pursuant to Section 20(B)(5) hereof.

Section 28: Qualified Agreements. Any payments received by the Issuer from a Qualified Agreement Provider shall constitute Gross Revenues hereunder. Any payments to a Qualified Agreement Provider under a Qualified Agreement so designated by the Issuer, can constitute Parity Contract Obligations or Subordinated Debt. Notwithstanding the foregoing, termination payments, indemnification payment, or other fees to be paid by the Issuer to a Qualified Agreement Provider under a Qualified Agreement and which do not constitute regularly scheduled payments determined by reference to interest on a notional amount may only constitute Subordinated Debt, and may not constitute Parity Contract Obligations.

The Issuer may enter into one or more Qualified Agreements with respect to one or more Series of Bonds (or portions thereof); provided, however, that if such Qualified Agreement is not entered into at the time of initial issuance of the Series of Bonds to which it relates, the requirements of Section 20(Q)(1) hereof must be met, applying the same as if \$1.00 in principal amount of Additional Parity Bonds is being issued as of the effective date of such Qualified Agreement.

Section 29: Payments to Credit Facility. In connection with any Bonds, the Issuer may obtain or cause to be obtained one or more Credit Facilities and agree with any Credit Facility Issuer to reimburse such issuer directly for amounts paid under the terms of such Credit Facility, together with interest thereof; provided, however, that no obligation to reimburse a Credit Facility Issuer shall be created, for purposes of this Ordinance, until amounts are paid under such Credit Facility. Such payments are referred to herein as "Reimbursement Obligations." Any Reimbursement Obligation may be secured by a pledge of and a lien on the Pledged Revenues on a subordinate basis to the lien created herein in favor of the Holders of the Bonds and any Qualified Agreement Provider. Any such Reimbursement Obligation shall be deemed to be a part of the Series to which the Credit Facility which gave rise to such Reimbursement Obligation relates. Payments to reimburse the issuer of a Credit Facility shall constitute Subordinated Debt.

Section 30: Capital appreciation bonds. For the purposes of (i) receiving payment of the redemption price of a Capital Appreciation Bond if redeemed prior to maturity, (ii) computing Bond Service Requirement, and (iii) computing the amount of Holders required for any notice, consent, request or demand hereunder for any purpose whatsoever, the principal amount of a Capital Appreciation Bond shall be deemed to be its Accreted Value.

Section 31: Tax covenants. With respect to any Bonds for which the Issuer intends on the date of issuance thereof for the interest thereon to be excluded from gross income for purposes of Federal income taxation:

(A) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that it shall not use the proceeds of such Series of Bonds in any manner which would cause the interest on such Series of Bonds to be or become includable in the gross income of the Holder thereof for federal income tax purposes.

(B) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that neither the Issuer nor any Person under its control or direction will make any use of the proceeds of such Series of Bonds (or amounts deemed to be proceeds under the Code) in any manner which would cause such Series of Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code and neither the Issuer nor any other Person shall do any act or fail to do any act which would cause the interest on such Series of Bonds to become includable in the gross income of the Holder thereof for federal income tax purposes.

(C) The Issuer hereby covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that it will comply with all provisions of the Code necessary to maintain the exclusion of interest on the Bonds from the gross income of the Holder thereof for federal income tax purposes, including, in particular, the payment of any amount required to be rebated to the U.S. Treasury pursuant to the Code.

(D) The Issuer hereby covenants with the Holders of each Series of Build America Bonds that it will comply with all provisions of the Code necessary to maintain the status of such bonds as Build America Bonds within the meaning of Section 54AA(d) of the Code. In the case of Build America Bonds for which the Issuer irrevocably elects to receive a refundable credit from the United States Treasury, the Issuer covenants to comply with all provisions of the Code necessary to maintain the status of such bonds as “qualified bonds” within the meaning of Section 54AA(g) of the Code.

(E) The Issuer may, if it so elects, issue one or more Series of Taxable Bonds the interest on which is (or may be) includable in the gross income of the Holder thereof for federal income tax purposes, so long as each Bond of such Series states in the body thereof that interest payable thereon is (or may be) subject to federal income taxation and provided that the issuance thereof will not cause the interest on any other Bonds theretofore issued hereunder to be or become includable in the gross income of the Holder thereof for federal income tax purposes. The covenants set forth in paragraphs (A), (B) and (C) above shall not apply to any Taxable Bonds.

(F) There is hereby created and established a fund to be known as the “City of Hialeah Utility System Revenue Bonds Rebate Fund” (the “Rebate Fund”), and a separate account therein for each Series of Bonds. The Issuer shall deposit into the appropriate account in the Rebate Fund, from investment earnings on moneys deposited in the other funds and accounts created hereunder, or from any other legally available funds of the Issuer, an amount equal to the Rebate Amount for such Rebate Year. The Issuer shall use such moneys deposited in the appropriate account in the Rebate Fund only for the payment of the Rebate Amount to the United States as required by this Section. In complying with the foregoing, the Issuer may rely upon any instructions or opinions from Bond Counsel. If any amount shall remain in the Rebate Fund after payment in full of all Bonds issued hereunder that are not Taxable Bonds and after payment in full of the Rebate Amount to the United States in accordance with the terms hereof, such amounts shall be available to the Issuer for any lawful purpose. The Rebate

Fund shall be held separate and apart from all other funds and accounts of the Issuer, shall not be impressed with a lien in favor of the Bondholders and the moneys therein shall be available for use only as herein provided.

Section 32: Validation. To the extent deemed advisable by Bond Counsel, Bond Counsel is hereby authorized to institute appropriate proceedings for the validation of Bonds and any and all other proceedings necessary for the Issuer to determine its authority to issue Bonds, and the proper officers of the Issuer are hereby authorized to verify on behalf of the Issuer any pleadings in such proceedings.

Section 33: Severability. If any one or more of the covenants, agreements or provisions of this Ordinance should be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid or shall in any manner be held to adversely affect the validity of the Bonds, then such covenants, agreements or provisions shall be null and void and shall be deemed separate from the remaining covenants, agreements or provisions of this Ordinance or of the Bonds issued hereunder.

Section 34: Sale of bonds. The Bonds may be issued and sold at public or private sale at one time or in installments from time to time and at such price or prices as shall be consistent with the provisions of the requirements of this Ordinance and other applicable provisions of law.

Section 35: General authority. The members of the City Council of the Issuer and the Issuer's officers, attorneys and other agents and employees are hereby authorized to perform all acts and things required of them by this Ordinance or desirable or consistent with the requirements hereof for the full, punctual and complete performance of all of the terms, covenants and agreements contained in the Bonds and this Ordinance, and they are hereby authorized to execute and deliver all documents which shall be required by Bond Counsel to effectuate the sale of the Bonds to said initial purchasers.

Section 36: No third party beneficiaries. Except such other Persons as may be expressly described herein, in the Bonds, or in a Qualified Agreement, nothing in this Ordinance, or in the Bonds, expressed or implied, is intended or shall be construed to confer upon any Person, other than the Issuer and the Holders, any right, remedy or claim, legal or equitable, under and by reason of this Ordinance or any provision hereof, or of the Bonds or any Qualified Agreement, all provisions hereof and thereof being intended to be and being for the sole and exclusive benefit of the Issuer and the Persons who shall from time to time be the Holders and any Qualified Agreement Provider.

Section 37: No personal liability. Neither the members of the City Council of the Issuer nor any person executing the Bonds shall be personally liable therefor or be subject to any personal liability or accountability by reason of the issuance thereof.

Section 38: Repeal of Ordinances in Conflict. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

Section 39: Penalties. Every person violating any provision of the Code or any ordinance, rule or regulation adopted or issued in pursuance thereof shall be assessed a civil penalty not to exceed \$500.00 within the discretion of the court or administrative tribunal having jurisdiction. Each act of violation and each day upon which any such violation shall occur shall constitute a separate offense. In addition to the penalty prescribed above, the city may pursue other remedies such as abatement of nuisance, injunctive relief, administrative adjudication and revocation of licenses or permits.

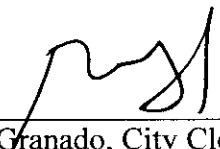

Section 40: Severability Clause as to this Ordinance. If any phrase, clause, sentence, paragraph or section of this ordinance shall be declared invalid or unconstitutional by the judgment or decree of a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs or sections of this ordinance.

Section 41: Effective Date. This ordinance shall become effective when passed by the City Council and signed by the Mayor or at the next regularly scheduled City Council meeting, if the Mayor's signature is withheld or if the City Council overrides the Mayor's veto.
